WEDNESDAY, FEBRUARY 16, 1859.

Legislative Council of India.

THE 5TH FEBRUARY 1859.

THE following Act, passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General this-day, and is hereby promulgated for general information :—

ACT No. II. of 1859.

An Act to amend Act XXX. of 1858 (to provide for the administration of the Estate, and for the payment of the debts of the late Nabob of the Carnatic).

WHEREAS, in pursuance of the provisions of Section XIV. of Act XXX. of 1858, numerous declarations were filed in the Office of the Registrar of the Supreme Court of Judicature at Madras, within three months from the passing of the Act, by persons claiming to be creditors of the late Nabob of the Carnatic, but as yet, with very few exceptions, such persons have not made any application to the Court under the provisions of Section XIX. of the said Act, to appoint a day for ascertaining the amount of their debts, or furnished any particulars of their claims; and whereas, since the passing of the said Act, two of the seals formerly belonging to the said Nabob have been unlawfully taken away by some person or persons unknown and there is reason to believe that they have been feloniously stolen, and it is necessary, in order to guard against fraud, to limit the time within which particulars of the said claims shall be furnished, and to require all documents intended to be used in support thereof to be filed, and also to enable the Court upon the application of the Government of Madras to fix a day for the investigation of any of the said claims: It is enacted as follows :—

I. Every person who has filed a declaration under the provisions of Section XIV. of the said Act, shall file in the Office of the Registrar of the Supreme Court at Madras, full particulars of his claim with dates and items,

Time limited for filing particulars of claim, when declaration has been filed.

within one week after the publication of this Act in the Fort St. George Gazette, or within such time, not exceeding one month after such publication, as may be allowed by the said Court or a Judge thereof, for any special reason which may appear to the said Court or Judge to be sufficient.

II. If the particulars filed as above provided be insufficient, the said Court or a Judge thereof may, upon an application on the part of Government, make an order for the filing, within a time to be specified in such order, of such further particulars as the said Court or Judge may consider necessary.

III. IV. Every person who has filed a declaration under the provisions of Section XIV. of the said Act, shall file in the Office of the Registrar of the said Court, all documents intended to be used on the investigation in support of his claim (whether the same are intended to be used as independent or corroborative evidence or otherwise), within one week after the publication of this Act in the Fort St. George Gazette, or within such time, not ex-

ceeding one month from the time of such publication, as may be allowed by the said Court or a Judge thereof for any special reason which may appear to the said Court or Judge to be sufficient.

The day so appointed shall not be less than twenty-one days from the time when the said application shall be made.

X. If the claimant shall appear on the day so appointed, or on any other day to which the Court may think fit to postpone the investigation, all such proceedings shall be had for ascertaining and determining the amount due to the claimant, and for payment of the amount so ascertained, as if the day for ascertaining the amount of the debt had been appointed upon the application of the claimant under Section XIX. of the said Act, except that it shall not be necessary for the claimant to furnish particulars under Section XX. of the said Act.

XI. If the claimant do not appear on the day appointed, or on any other day to which the Court may postpone the investigation, the Court, upon proof of service

B., Commanding Gwalior Division, forwarding a Report from Captain Rice, Commanding Goonah Column, of an Action with the Enemy under the Rebel Feroz Shah near Sypoor on the night of the 22nd December 1858 :—

FROM BRIGADIER GENERAL SIR R. NAPIER, K. C. B.,
Commanding Gwalior Division,
TO SIR W. R. MANSFIELD, K. C. B.,
Chief of the Staff.
Camp Goonah, 25th December 1858.

SIR,

I do myself the honor to forward copy of Captain Rice's Report of the complete surprise of the Enemy under the Rebel Feroz Shah near Sypoor on the night of the 22nd instant.

The Rebels in flying from Ranode on the 17th instant went towards Chandeyree, but hearing of British Troops at all the outlets to the Eastward, Brigadier Ainslie having moved out towards Ranode from Jhansie, and Colonel Liddell from Lullutpoor to Chandeyree, they turned suddenly Westward passing South of Esaughur and Puchaar, and when, near Rampoor, between Goonah and Seronge, accidentally came upon Lieutenant Stack's Detachment of 40 men of the 1st Bombay Lancers, escorting Remounts and Clothing to Brigadier Smith. The Rebels captured the clothing of the Detachment and one trooper, but Lieutenant Stack brought up the rest of his men and skirmishing with the Enemy carried the remainder of his charge back to Goonah.

The Rebels then went into the dense jungles of Arone, where they were surprised by Captain Rice.

Although they did not lose many men killed, the capture of their horses and property must tend greatly to cripple and break up the party. I hear that two of the elephants were left in the Arone jungles, and may be recovered; there are therefore only two remaining with the Enemy, who, after flying Westward to near Puprail, have doubled back towards Chuppra, on which place Captain Rice also is marching from Kumraj where he was yesterday. I trust therefore that we may yet have an opportunity of destroying the remainder of Feroz Shah's party.

I beg most particularly to recommend to the favor of the Right Honorable the Commander-in-Chief, Captain Rice, Commanding the Goonah Detachments, and the Officers mentioned by him, Captain Cochrane, Lieutenant Festing, Royal Engineers, and Lieutenant Waller, 25th Bombay N. I., and also the Native Commissioned Officers, Non-Commissioned Officers and Soldiers of the Detachments of the 86th Regiment, 25th Bombay N. I. and Meade's Horse, for this very dashing and difficult enterprise which has taught the Enemy to distrust the security even of the deepest jungles, that have so often favored their escape.

I have, &c.,
(Signed) R. NAPIER, Bdgr.-Genl.,
Commanding Gwalior Division.

FROM CAPTAIN RICE, COMMANDING GOONAH COLUMN,
TO GENERAL SIR R. NAPIER, K. C. B.,
Commanding Gwalior Division.
Dated Camp Arone, 23rd December 1858.

SIR,

I HAVE the honor to report for your information that the Goonah Column, strength as per margin, marched here from Barod, 10 miles, yesterday morning, and that a man who had lately been robbed of his horses by the Rebels on their retreat past this town yesterday evening at $\frac{1}{2}$ past 5 P. M., reported

2 Guns, 9 pounders, of the 4-2
Bombay Artillery.
20 R. and F. Royal Engineers.
55 R. and F. H. M. 86th Foot.
150 R. and F. 25th N. L. I.
140 Meade's Horse.

to me that the Enemy whom he estimated at 2,000 (chiefly Cavalry) strong, were encamped in a deep glen, in a very thick jungle, about 11 miles South West of this place near Sypoor Village. This man had just returned from their Camp, on an unsuccessful visit to recover his property, and in revenge for being beaten and abused, gave me this, the sole information, I have hitherto been able to obtain from the people of this district regarding the Rebels' movements. Leaving my Camp standing in charge of 42 men, the Column was ordered at once to march, and left Camp very silently by 6 P. M. Favored by bright moonlight we arrived at the place indicated by 11 P. M., marching latterly through very dense jungle, and at once attacked the Enemy's Camp, which was situated in a deep ravine surrounded by vast jungle. Owing to the bad narrow rocky path our two Guns could not keep up, so I pushed forward with the Infantry only, consisting of 20 R. and F. Royal Engineers, 50 R. and F. H. M. 86th Foot, and 100 R. and F. 25th Bombay N. L. I. under Lieutenants Festing and Waller. We shot down the Rebel Picket, and charged completely through their long winding Camp causing the Enemy to flee with the utmost despatch, and seek shelter among the dense foliage, on all sides around their position. Owing to the great haste with which they fled merely a very few Rebels were killed, but we captured nearly 100 horses, several camels, many arms and much clothing (with which the ground was every where covered.) We had no loss. The Rebels made no stand, and scarcely returned our fire. We passed the night on the Enemy's encamping ground, and at dawn Captain Cochrane with 100 Meade's Horse started in pursuit, while the rest of the Goonah Column returned to Arone, and has just arrived. I beg to acknowledge the receipt of your letter dated Esaughur, 21st December 1858. Brigadier Smith from whom I have just heard, was at Kache-Kaia 22nd December, and will be to-day at Seronge. I will communicate with him at once. Lieutenant Stack's escort was attacked as you suppose, his loss I do not know, but have heard 2 Troopers 1st Lancers were killed, while some camels and baggage were taken by the Enemy. We found in the Rebels' Camp last night some accoutrements belonging to 1st Lancers, such as a sword, two carbines, caps, forage, belts and clothing. I have sent messages by telegraph of my movements to Sir R. Hamilton and Major Macpherson. I have presented the guide Rupees 50, service money, as promised him for pointing out the Rebel Camp. Pending your further orders the Goonah Column halts here.

I have, &c.,

ADJUTANT GENERAL'S OFFICE ;

The 15th January 1859.

No. 183 of 1859.—The Right Hon'ble the Governor General of India in Council is pleased to direct the publication of the following Report

from Brigadier General Sir R. Napier, K. C. B., Commanding Gwalior Division, of an Action with the Rebels at Ranode on the 17th December 1858;—

No. 424 of 1858.

FROM BRIGADIER GENERAL SIR R. NAPIER, K. C. B.,
Commanding Gwalior Division,
TO THE CHIEF OF THE STAFF.
Camp Ranode, 21st December 1858.

SIR,

I HAVE the honor to report for the information of the Right Hon'ble the Commander-in-Chief, that I received on the morning of the 12th instant, intimation from Captain McMahon, Her Majesty's 14th Dragoons, Commanding a small force near the confluence of the Jumna, Chumbul, and Sindh Rivers, that the Rebels had passed into the Lohar Pergunnah

No. 4 Bombay Light Field Battery, 2 Guns, of Kuchwazhur.
under Captain G. G. Brown. Believing that
14th Light Dragoons, 150 N. C. R. and F. their course
under Brevet Major R. B. Prettjohn. would be up the
2nd Gwalior Mahratta Horse, 100 Sabres, jungles of the
under Captain F. H. Smith. Sindh River,
71st Highlanders Light Infantry, 117 N. C. I marched from
R. and F. under Major J. W. T. Rich. Gwalior with a
25th Bombay Native Infantry, 50 N. C. R. force as per mar-
and F. under Lieutenant J. F. Forbes. gin at 2 P. M.,
40 Camels, Gwalior Camel Corps, under
Captain H. Templer.

on the 12th instant, intending to proceed to Dubbra, on the Jhansi Road, and then according to the information I might receive, to intercept the enemy.

At Autree where the Force rested during part of the night, I received, at 2 A. M. of the 13th, when on the point of proceeding to Dubbra, an express from the Political Agent of Gwalior to the effect that his information led him to believe that the Rebels would pass by Gohud to the North of Gwalior; this caused me to halt until I should receive by the morning post, precise information from Captain McMahon. At 10½ A. M., the Tussildar of Autree informed me he had just ridden in from Dubbra, the very place of my destination, and had seen the smoke of the Staging Bungalow, which the Rebels were then burning, and that they were proceeding in a South westerly direction. I immediately marched South in pursuit, and at Beetiwar, where I arrived at 1-30 A. M. of the 14th, I was informed that the Enemy were three kos (in this country 8 or 9 miles) distant. The force had been on the move for 13½ hours and required a rest. Owing to delay in getting grass and disposing of a rear party of the Enemy's Infantry, in which some of Mahratta Horse, under fire for the first time greatly distinguished themselves, I did not get away until 10 A. M.

I continued the pursuit through Nurwar, where I left behind the greater portion of the Detachment of the 71st and the Artillery which could not keep up with me, and took on merely the Cavalry, and 38 men of the 71st Highlanders on Camels and 25 of the Bolundsher Horse, that were halted at Nurwar on their way to Kerara, owing to the news of the Enemy's approach; and after a very exciting, though fatiguing chase we overtook the Rebels on the morning of the 17th at Ranode. Their course had been South of Nurwar and through the Amola Pass, and their direction appeared to be along the right bank of the Sindh.

Twice we were encamped within a few miles of them, but owing to the darkness and our ignorance of the country, and to its hilly and jungly character, we could not take advantage of it. They chose the most difficult and unfrequented paths, evidently guided by some one well acquainted with them. Once or twice we were close on their traces and cut off stragglers or took their horses, the riders throwing themselves off, and darting into the dense thickets, which almost closed up the paths; at one moment I believed they were driven into the hands of Colonel Seudamore, Her Majesty's 14th Dragoons, who according to the instructions and information I had sent him, had posted his Detachment on the right bank of the Sindh below

Kolarus, to intercept them. I expected every moment to hear his guns open, when I found, on getting into a more open country, that the Enemy had turned away from the River and were going towards Ranode. They took a circuitous and difficult road through the jungles, whilst we marched by a more easy and direct one, where the country was more open. I found the people of Ranode in great excitement, and was informed that the Enemy was close at hand and in full march to attack them, guided by Byroo Sing of Tehrea, a Rebel Zemindar, whose Fort a few miles off had been recently destroyed by Scindiah. The Enemy advanced in an irregular mass, extending in a front of nearly a mile. Their numbers must have increased since they crossed the Jumna! Their guide Byroo Sing, as we have since learnt, had promised them plenty of plunder and an easy prey.

We had barely time to form up the 14th Dragoons, when the Enemy were within a few hundred yards. The Mahratta Horse were impeded in crossing a deep ravine by the riding camels, and were thus a little behind. Our force actually engaged, consisted of 133 of Her Majesty's 14th Dragoons, Commanded by Captain Prettijohn, 60 of the Mahratta Horse under Captain F. H. Smith, 38 of the 71st Highlanders under Captain Smith, mounted on camels and guided by Captain Templer, Commanding Camel Corps.

It was a most complete surprise! The 14th Dragoons, excellently led by Captain Prettijohn, dashed at once into the centre of the Enemy, who never attempted to stand as a body, though individuals died fighting desperately. Captain Prettijohn having received a severe wound, the Command devolved on Captain Need, who with much energy and judgment continued the pursuit for nearly eight miles cutting up great numbers particularly at the end where the fugitives were stopped by a ravine, those who could cross it taking refuge in a jungle impracticable for Cavalry.

I regret much that I had not a second Squadron of Cavalry, which would have made the destruction of the Enemy more complete. I cannot make any correct estimate of their loss, owing to the extent of ground over which it took place, 150 bodies have been counted immediately at Ranode and a much larger number must have fallen during the pursuit. Captain Need estimates these last at 300; many of them were 12th Irregulars, the murderers of Major Holmes and his family.

Besides several persons of distinction. The Moulvie Fuzzil Huk, and Russaldar Zohoor Ali, of the 12th Irregulars, were killed; they were identified by the papers found on their bodies, and by the evidence of a prisoner; but I fear Feroz Shah has escaped for the present. Six Elephants were taken and numbers of Horses and Ponies, Arms, &c., have been found and are still being brought in.

The Enemy scattered so completely that it was difficult to select any line for pursuit. I have to-day learnt that such as have re-assembled were yesterday near Tuchore, and that Captain Rice's Detachment ordered out from Goonah, was at Thadowra, and had gone in pursuit.

It is with much pride and satisfaction that I beg permission to bring to the notice of the Right Honorable the Commander-in-Chief the admirable charge made by the 14th Dragoons, and the Soldier-like and exemplary cheerfulness with which the Troops of all Arms underwent the fatigue and privations inseparable from such service; with such men and Officers the General's task is easy. It was a cause of very great regret to me and equally to themselves, that the remainder of the 71st under Major Rich and Captain Brown's guns were necessarily left behind.

I beg to recommend most particularly Captain Prettijohn, Her Majesty's 14th Dragoons, Commanding the Cavalry, for the gallant manner in which he

led his men until severely wounded. Also Captain Need, 14th Dragoons, who succeeded to the Command and most ably exercised it.

The Mahratta Horse have only been recently enrolled, but their spirited conduct is highly creditable to them and to their Commanding Officer Captain F. H. Smith, whom I beg to recommend. Also Captain C. F. Smith, Commanding Detachment of Her Majesty's 71st, and Captain Templer for the effective manner in which they brought up their small force.

Lieutenant Giles, of the 14th Dragoons, and Lieutenant Gough, of the Mahratta Horse, are very favorably mentioned by their Commanding Officers. I am greatly indebted to Dr. Cruickshank for his prompt and extreme attention to the wounded Mr. Apothecary Waite, an old and excellent servant of the Government, who has been present with the 14th Dragoons in every engagement, was in the Field and performed valuable service. I am under great obligations to Captain Todd, 14th Dragoons, Assistant Adjutant General, and Captain Lumsden, Assistant Quarter Master General, for their invaluable aid at all hours during the pursuit and in the action. Captain Lumsden's experience of irregular warfare was of great service. My Aide-de-Camp, Lieutenant Anderson, of the 1st Bombay Lancers, has been constantly at my side, and has given me very great satisfaction.

Mullik Sahib Khan Tewana being on a visit to me on leave, volunteered his services and accompanied me during the pursuit and in the action.

Jemadar Jehan Khan, of the Tewana Horse, temporarily attached to the Mahratta Horse, behaved with great gallantry and received six wounds whilst singly engaged with several of the Enemy, of whom he killed one and wounded others, and I beg to solicit for him the order of "British India."

Captain Need mentions very favorably the forward conduct of Regimental Sergeant Major Thomas Clarke and Corporal George Best, of the Horse Troop, Her Majesty's 14th Dragoons.

I subjoin a list of Casualties, the wounded are doing well.

I had on a former occasion the honor to report the good service performed by two of the Officers above-mentioned, Captains Todd and Prettijohn, of Her Majesty's 14th Dragoons, for their distinguished conduct in the action with Tantia Topee at Jowra, Alipore! but I fear from some accident that my report has not reached the Right Hon'ble the Commander-in-Chief. I therefore beg permission to submit a copy of it, and most earnestly solicit the favor and protection of the Right Hon'ble the Commander-in-Chief, and the Government, for the Officers and Soldiers therein mentioned, as well as for those named in this report.

FROM CAPTAIN NEED,

TO THE ASSISTANT ADJUTANT GENERAL,
Gwalior Division.

Camp Ranode, 17th December 1858.

SIR,

I HAVE the honor to report for the information of the General Commanding, that on Captain Prettijohn becoming disabled this morning from a severe wound, I assumed Command of the Squadron

* 133 Sabres.

14th Dragoons, strength as per margin,* in pursuit of the Rebels, following them for about 7 miles, cutting up great numbers, and capturing several Elephants, Horses, &c. I beg to bring

to the General's notice, the good service rendered by Lieutenant Giles, and all under Command, as well as by Captain Lumsden, Assistant Quarter Master General, and Lieutenant Gough, Mahratta Horse, who accompanied the Squadron.

The gallant conduct of Corporal Best, 14th Dragoons, came particularly under my notice, but where every man of the Squadron behaved so well, and did such good service, it is almost unjust for me to recommend any man in particular.

The pursuit was principally through low jungle, very bad ground, and full of holes which will account for the great number of Missing Horses in my Casualty report, which accompanies this report.

I have, &c.,

SIR,

The Detachment 2nd Mahratta Horse under my Command having been so recently raised, I am induced to bring to the notice of Brigadier General Sir R. Napier, K. C. B., Commanding, a little affair which occurred near Camp on the 14th instant, and trust that it will meet with the General's satisfaction.

My videttes caught and brought in a Rebel, a straggler from the force marching under Feroz Shah, who informed me that about 20 or 30 others were not far off. I immediately sent out a small party under Moortaza Khan, the Woordie Major, to watch them. As soon as he came upon them, they numbering upwards of 40 Infantry retreated to a small rocky hill inaccessible for Cavalry, but not before two of their number had been killed and five wounded. They watched them in this place for some time, and having received the order to march they retired to Camp.

The Woordie Major speaks highly of the conduct of the whole of his party, but more especially of that of Sowar Shadee Ram, who was severely wounded by a Musket ball.

The Detachment succeeded in capturing several stand of Arms.

Besides the Sowar one horse was wounded.

FORWARDED by order of the Commander-in-Chief to the Secretary to the Government of India, Military Department, for the information of the Right Hon'ble the Governor General with Lord Clyde's approbation.

Lord Clyde solicits the attention of His Excellency the Viceroy to the recommendation in behalf of Jemadar Jehan Khan, of the Towana Horse, which he supports.

ADJUTANT GENERAL'S OFFICE;
Allahabad,
The 15th January 1859.

No. 184 of 1859.—The Right Hon'ble the Governor General of India in Council is pleased to admit Jemadar Jehan Khan, of the Towana Horse, temporarily attached to the Maharatta Horse, to the 2nd Class of the Order of British India, with the title of "Bahadoor," in consideration of his conspicuous gallantry brought to notice in Brigadier General Sir. R. Napier's Despatch, published in the foregoing General Order.

No. 185 of 1859.—The Right Hon'ble the Governor General of India in Council has much satisfaction in publishing the following letter from Major General Whitlock, Commanding Saugor Field Division, submitting the Report of Captain Woodland, of an attack by the Rebels on the Palace of Kirwee, in repelling which that Officer and his brave Garrison well earned for themselves the commendation bestowed on them by Major General Whitlock.

No. 642.

TO THE ADJUTANT GENERAL OF THE BENGAL ARMY,
Allahabad.

Dated Camp Kirwee, 28th December 1858.

SIR,

I HAVE the honor for the information of the Right Hon'ble the Commander-in-Chief to acquaint you that on the evening of the 23rd instant. I received at Mahoba at 7 o'clock P. M., an express from Kirwee to the effect that between 5 and 6,000 Rebels, 600 of whom were Sepoys, had attacked the Palace, surrounded it and were keeping up a very heavy fire from all sides.

I started at 9 o'clock with the Head Quarters of the Division and marched to Kirwee, a distance of 83 miles in 37 hours. I found that the Rebels hearing of our approach had abandoned their intention of making a second attack; their first having been repulsed, and had fled to the Hills close in the vicinity of Kirwee.

A Troop Horse Artillery.
One Squadron H. M. 12th
Royal Lancers.
2nd Hyderabad Contingent.

The Rewah Levies under Lieutenant-Colonel Hinde from Bandah, reached this place a distance of 48 miles in 38 hours.

The Detachments of the 3rd European Sappers and Miners and 50th Regiment N. I. which marched from Mahoba at the same time with Division Head Quarters, arrived here last night. They would have come in at the same time with the Rewah Levies in the morning, but that I had directed them to halt ten miles from this, a sphere was then no necessity for their forcing one.

I cannot speak in terms of too high praise of the cheerfulness, alacrity, and spirit displayed by every grade on the occasion, and I have no hesitation in stating that the safety of the Palace and the Garrison which held it, may be attributed to the opportune arrival of the Artillery and Cavalry, as I have ascertained that the Rebels after their first repulse had taken forcible possession of a Gun from a neighbouring Rajah to bring before the place.

I now perform a very gratifying duty in submitting the report of Captain Woodland, 1st Regiment N. I., the Officer Commanding the Garrison, for Lord Cleyde's information, and beg to bring this Officer most prominently to His Lordship's notice. Captain Woodland's gallantry and perseverance in holding the Palace with so small a force are most creditable to him and will, I trust, be considered worthy of his Lordship's favorable consideration.

Captain Richardson, of H. M.'s 43rd Regiment Light Infantry, was most active and energetic throughout, and I beg to bring his name also to his Lordship's notice.

Jemadar Shikh Mustapha, 1st Regiment M. N. I., appears to have been indefatigable in the performance of his duty, and Captains Woodland and Richardson speak in the highest terms of this Native Officer's services.

Color Sergeant Green, H. M.'s 43rd Regiment Light Infantry, and Sergeant Smith, of the Royal Artillery, have merited favorable mention of their names in Captain Woodland's Despatch.

The conduct of all ranks in the Garrison is spoken of as deserving every commendation, and will, I trust, be favorably received by His Lordship the Right Hon'ble the Commander-in-Chief.

I have, &c.,

(Signed) G. WHITLOCK, Major General,
Commanding Saugor Field Division.

TO THE ASSISTANT ADJUTANT GENERAL,
Saugor Field Division.

Dated Palace Kirwee, 25th December 1858.

SIR,

I HAVE the honor to report for the information of the Major General Commanding, that, on the night of the 20th instant, I received intelligence that a large body of the Rebels under Radah Govindh and Runmut Singh, estimated at from 5 to 6,000, of whom 600 were disciplined Troops, were advancing to attack this place.

I immediately paraded the *Troops under my Command and offered shelter within the Palace to the inhabitants of the place, many of whom availed themselves of it.

At 2 P. M. numbers of the Rebels crossed the roads on all sides leading to the Palace, availing themselves of every cover to avoid our fire, ultimately occupying the immediately surrounding houses whence they kept up a heavy and well directed fire, to which we replied with such effect that they speedily retired to a greater distance, still maintaining their fire as vigorously as ever until

maintaining their fire as vigorously as ever until

6 P. M., when finding all their efforts ineffectual they suspended operations, but from the fact of four scaling ladders having been found after the Enemy had finally retired, it is evident that their only object was to concert a second and more resolute attack, in which they were fortunately baffled by the timely arrival on the morning of the 25th instant of the Force under the immediate Command of Major General Whitlock.

As the Enemy carried off their killed and wounded I am unable to estimate the number of casualties they sustained, but I am happy to say that only one Matchlockman belonging to the Tahsildar of the place, was killed on our side.

I am much indebted and beg to return my best thanks to Captain W. S. Richardson, H. M.'s 43rd Light Infantry, whose zeal and activity were most conspicuous throughout the whole affair. Jemadar Shikh Mustapha, 1st Regiment Native Infantry, Color Sergeant Green, H. M.'s 43rd Light Infantry, and Sergeant Smith, of the Royal Artillery, also merit my highest praise. To the above I would also add the name of Assistant Apothecary Isaacke as deserving of commendation.

In conclusion, I beg to point out that the Troops were under arms from midnight of the 20th instant till 10 A. M. of the 25th instant, during whole of this time the strenuous and unremitting exertions of all Ranks, Native and European, entitle them to the highest praise.

The Major General from his local knowledge of the place will appreciate the difficulties that had to be overcome, not only was the discipline portion of the Enemy vastly superior to our small Garrison, but the ineligibility of the place for purposes of defence, the necessity that existed of previously demolishing the surrounding houses (in which labor we

were actually occupied on the approach of the Enemy,) the inferior description of ordnance* with which we were provided (one of which

burst with the first round) and the better want of means of bringing the same into position, were no trifling obstacles to overcome, and I consider that I should do ill justice to the uniform cheerfulness and alacrity of all Ranks were I to forbear bringing these points prominently to the notice of Superior Authority.

I must not omit to add that the Tehsildar and Cutwal of the place were of great service in procuring intelligence of the movements of the Enemy.

After receiving the Salute, His Excellency the Viceroy and Governor General proceeded to address the 1ST MADRAS FUSILIERS in the following terms :—

COLONEL GALWEY, OFFICERS, AND SOLDIERS OF THE MADRAS FUSILIERS.

I AM glad to have the opportunity of thanking you publicly in the name of the Government of India, for the great Services which you have rendered to the State.

More than twenty months have passed since you landed in Calcutta. The time has been an eventful one, full of labors and perils, and in these you have largely shared.

Yours was the first British Regiment which took assistance to the Central Provinces, and gave safety to the important Posts of Benares and Allahabad.

You were a part of that brave band which first pushed forward to Cawnpore, and forced its way to Lucknow, where so many precious lives and interests were at stake.

From that time you have, with little intermission, been in the front of Danger.

You are now returning to your Presidency, your Ranks thinned by War and Sickness, but you return covered with honor; carrying with you the high opinion of every Commander who has led you in the Field; the respect of your fellow-Soldiers in that great English Army in which from the beginning you have maintained a foremost place; and the gratitude of the whole Community of your Fellow-countrymen of every class.

Further, you have the satisfaction of knowing that you do not leave behind you a single spot of ground, upon which you have set your feet, where peace and order have not been restored.

When you reach Madras tell your Comrades of the Madras Army that the name of the 1ST FUSILIERS will never be forgotten on this side of India.

Tell them that the recollection of all that is due to your Courage, Constancy, and Forwardness will never be effaced from the mind of the Government under whose orders you have served.

Tell them, especially, that the memory of your late distinguished Leader is cherished and honored by every Englishman amongst us; and that though many heroic spirits have passed away since the day when he fell in front of you in the streets of Lucknow, not one has left a nobler reputation than General Neill.

I now bid you Farewell, FUSILIERS, and I wish you a speedy and prosperous voyage to your own Presidency. You are indeed an honor to it.

At the close of the Address, the 1ST MADRAS FUSILIERS marched away amid the Cheers of a very large Concourse of Spectators, to embark on board their Ships.

By Order of His Excellency the Viceroy and Governor General of India in Council.

Secretary to the Government of India.

Legislative Council of India.

THE 12TH FEBRUARY 1859.

THE following Act passed by the Legislative Council of India, received the assent of the Right Honorable the Governor General on the 7th February 1859, and is hereby promulgated for general information :—

ACT No. III. of 1859:

An Act for conferring Civil jurisdiction in certain cases upon Cantonment Joint Magistrates, and for constituting those Officers Registers of Deeds.

WHEREAS it is expedient that Cantonment Joint Magistrates should be invested with Civil jurisdiction in certain cases within the local limits of their Criminal jurisdiction, and that they should also be appointed Registers of Deeds within the same limits ; It is enacted as follows :—

I. It shall be competent to the Governor General in Council and to the Executive Government of any Presidency or place to invest the Joint Magistrate of any Military Cantonment Bazar or Station, within the limits of their respective Governments, with Civil jurisdiction. Every Joint Magistrate so invested shall have power to hear and determine actions of debt and other personal actions in which the value in question shall not exceed the sum of two hundred Rupees and which shall not involve any dispute of caste or any right of real property, against any person who at the time when the cause of action arose and at the time of the institution of the suit shall have been or shall be subject to the Articles of War for the Native Army or residing or carrying on trade or business within the limits of such Military Cantonment Bazar or Station, and not subject to any Articles of War made by Her Majesty.

II. Whenever the Joint Magistrate of any Military Cantonment Bazar or Station shall be invested with Civil jurisdiction under the provisions of the preceding Section, and so long as he shall remain so invested, so much of Act XI of 1841 as authorizes the Commanding Officers of Stations or Cantonments to convene Military Courts of Requests for the trial of actions of debt and other personal actions as aforesaid, shall be suspended within the limits of such Cantonment Bazar or Station.

III. Whenever in either of the Presidencies of Madras or Bombay an Officer shall be invested with Civil jurisdiction as aforesaid, and so long as he shall remain so invested, the Rules for the trial of small suits in Military Bazars at Cantonments and Stations occupied by the Troops of those Presidencies respectively, shall cease to have effect within the jurisdiction of such Officer.

IV. Whenever the Joint Magistrate of any Military Cantonment Bazar or Station shall be invested with Civil jurisdiction under the provisions of this Act, no person amenable to the Articles of War for the Native Army who may be liable to be sued before such Joint Magistrate for any cause of action cognizable by him, shall be sued elsewhere.

V. Provided that nothing in the preceding Sections shall be held to alter or affect the Rules in force in the Madras Presidency for the trial by Panchayet of suits against Military persons belonging to that Presidency.

VI. No person carrying on trade or business within the limits of any Military Cantonment, or who shall have carried on trade or business within any such limits, shall be allowed to recover in any Court held under this Act any debt contracted in the way of such trade or business or the loan of money within any such Cantonment, by any person subject to the jurisdiction of such Court, unless the person seeking to recover the debt shall, at the time of contracting the same, have been registered as a Military Bazar-man within such Cantonment.

VII. In cases instituted under the provisions of this Act, the plaintiff shall prefer his claim in writing to the Court of the Joint Magistrate having jurisdiction over the same, and if the defendant be a Native Officer or Soldier or a Mustered Camp Follower, the summons to appear and answer to the claim shall be transmitted, for the purpose of being served on the defendant, to the Commanding Officer of the Corps or Detachment to which such defendant may belong; and the Commanding Officer shall return the summons to the Joint Magistrate, with the acknowledgment of the defendant endorsed thereon; or if the summons cannot be served, the reason of the non-service shall be stated. In other respects the rules of procedure and all other rules contained in Act XI of 1841 (*for consolidating and amending the Regulations concerning Military Courts of Requests for Native Officers and Soldiers in the service of the East India Company*) shall be applicable to such cases, and to the execution of the decrees passed therein, so far as the same are applicable: provided that the decisions of the Joint Magistrate in cases cognizable by him under this Act, shall not be open to revision or appeal: and provided further that it shall not be necessary to publish in Station Orders the decrees passed in such cases before they are carried into execution, and the Joint Magistrate passing the decree shall determine whether the execution shall be general or special and shall proceed of his own authority with the execution.

VIII. If the claim of the plaintiff be dismissed, and it shall appear to the Joint Magistrate that the suit was groundless, and that there was no probable cause for instituting the same, it shall be competent to such Joint Magistrate to award against the plaintiff in favor of the defendant, such sum as he may consider a reasonable compensation to the defendant for the loss of time and expense to which he may have been subjected by the institution of the suit against him and to proceed to recover the amount so awarded under the rules applicable to execution of decrees passed under this Act.

IX. It shall further be lawful for the Governor General in Council or for the Executive Government of any Presidency or place, to appoint the Joint Magistrate of any Military Cantonment Bazar or Station, subject to their respective Governments, Register of Deeds within the limits of such Cantonment

Bazar or Station; and when such appointment is made, and so long as it shall continue in force, the powers of the Register of Deeds of the Zillah or District in which such Cantonment Bazar or Station is situate, shall be suspended within the limits thereof.

X. Whoever the Joint Magistrate of any Military Cantonment Bazar or Station shall be appointed Register of Deeds under this Act, all Rules for the time being in force applicable to Registers of Deeds, shall be applicable to such Joint Magistrate and to the Deeds registered by him, or brought to him for registry.

XI. Every Joint Magistrate who shall be invested with Civil jurisdiction or who shall be appointed Register of Deeds under the provisions of this Act, shall, previously to entering upon the performance of his duties, make and subscribe before the Chief Civil Officer, or, where there may be no Civil Officer, before the Chief Military Officer of the District or Zillah in which such Cantonment Bazar or Station is situate, the oaths required by law to be made and subscribed by Civil Judges and Registers of Deeds respectively, or the declarations substituted for such oaths.

No. 14 OF 1859.

NOTIFICATION.

Fort William, Financial Department.

THE 21ST FEBRUARY 1859.

HIS Excellency the Governor General of India in Council is pleased to notify for general information the Financial measures which have been resolved upon, in order to provide means for carrying on the Public Service in the coming Year 1859-60.

On the 16th of January 1857, a Five-per-Cent Loan was opened, in supersession of the Four-and-a-half-per-Cent Loan opened on the 30th of August 1856, which had been found, in the then state of the Money Market, not to afford sufficient inducement to Capitalists. On the 30th of April 1857, the Financial position of the Government of India was excellent. The Annual deficit which had been experienced for several years, and which in 1853-54 had amounted to Rupees 211 Lacs, chiefly in consequence of the great extension in late years of Public Works, was reduced for the Year 1856-57 to the small sum of Rupees 18 Lacs, and this Financial restoration had been accomplished without the stoppage of those great works of material improvement of which India is so much in need. But as the Government had raised but a small amount in the way of Loan, after the closing of the Five-per-Cent Public Works' Loan in October 1855, the Cash Balances in India had fallen so low that the opening of an effectively drawing Loan had become indispensable.

In May 1857 the Revolt of the Bengal Native Army broke out, and it became necessary by adequate measures both in India and at Home, to provide the means of making those extraordinary exertions by which, under the blessing of Providence, the Indian Empire has been saved, and tranquillity has been restored.

The Government at Home undertook all the charges which had to be met at Home, both the ordinary Home charges of each year, and the extraordinary Home charges which the despatch to India of a large English Force, and the provision of an immense supply of the Munitions of War, (a vast quantity of which had been lost or destroyed,) rendered necessary: and it assisted the Indian Exchequer, at the moment of greatest pressure, by the remittance of a Million Sterling in Bullion. These objects were met by the issue at Home of temporary debentures to the amount of Eight Millions Sterling. The Government of India had the task of providing for the main part of the extraordinary War charges, which of course had to be disbursed in India; and for the Barrack Accommodation of many thousand additional Europeans; as also for the restoration of the Treasure which had been plundered; and this it had to do, when nearly all the Revenues of one of the Local Governments had been swept away.

The Five-per-Cent Loan, which would have been adequate for ordinary wants and in ordinary times, was found to be inadequate at this time of extreme pressure. Accordingly it was necessary to induce Capitalists to come to the assistance of the State, by an enhancement of the terms; and the Governor General in Council resolved to borrow at Six-per-Cent.

He was aware that this could not be done without in some degree affecting injuriously those Holders of the Paper of former Loans, who had not purchased for purposes of permanent investment: but this is the condition of all such Holders of Government Stock in all Countries, whenever a great exigency forces upon the State the necessity of raising a large sum in a limited time. The Governor General in Council, however, was desirous to save such Holders from loss, as far as that could be done consistently with the paramount object in view. Therefore, instead of simply opening a Six-per-Cent Loan, which would have brought down the price of Four and Five per Cent Paper to a low point, he threw open the existing Five-per-Cent Loan to subscriptions half in Cash, and half in Four-per-Cent Paper. This arrangement for many months answered the purpose, the market price of the Paper of former Loans was but little affected by the operation; and the expectations of Government were fully met by large and regular subscriptions through the medium of the then existing Holders of Four-per-Cent Stock, or those who purchased of them for the express purpose of subscribing to the Loan. From the opening of this conversion Loan to the present time upwards of Eight Crores have been paid in in Cash.

Latterly, however, whether from the partial exhaustion of such Holders of Four-per-Cent Paper as are able and willing to convert it, or to sell it at such a price as will induce the Capitalist to buy it for the purpose of conversion, or from some other cause, this conversion process has failed to afford the income which in the present temporary exigency is necessary for the Public Service. For many weeks past the subscriptions to the conversion Loan have fallen to less than half what they were; and they have shewn no prospect of improvement.

In this state of things, the Government of India, having the Public Service to provide for, had no choice but to adopt some change of measure by which it could hope to obtain the requisite funds before the Cash Balances should become exhausted. The Governor General in Council did not doubt that the rate of Six-per-Cent, which Government were paying, was ample Interest to induce the Capitalist to subscribe. But it was apparent that from some cause or other, the requisite funds, even at that rate, could no longer be procured exclusively through the medium of Holders of Four-per-Cent Stock. There was therefore nothing to be done but to look for subscriptions either through the medium of some other class, or from Capitalists generally.

In this state of things the Governor General in Council resolved, on the 26th of January last, to adopt a new arrangement in respect to the open Loan, from the commencement of the approaching Financial year. Accordingly he gave notice of the closing on the 30th of April next of the Four-per-Cent conversion arrangement. By this warning all remaining Holders of that Stock for whose benefit it may be to take advantage of that arrangement will still have full opportunity of so doing. Up to the end of the Current Commercial Year, Holders of Four-per-Cent Paper will still have it in their power, on subscribing to the open Loan, to obtain Six-per-Cent for the Cash subscribed.

In order to throw open the door, in some manner, to the general Capitalist, Treasury Bills, bearing a somewhat lower rate of Interest, were issued; and the Governor General in Council, looking to the very large extraordinary expenditure which must still remain to be incurred in the coming year, made application to the Right Hon'ble the Secretary of State for India for assistance in the way of Bullion Remittances from Home, to the extent of Three Millions Sterling.

It had been the wish of the Governor General in Council to await the answer of the Secretary of State which may be expected by the 1st of May; as also to allow time to show practically what may be expected as the result of the above-mentioned measures, before determining upon the course to be adopted on the 1st of May for the service of the coming year. But the late fluctuations in the Stock Market, though the manifest result of an unfounded and happily short-lived panic, and the representations of the Mercantile Community, who are of opinion that in the present state of the Market uncertainty as to the future Financial operations of Government would be a great evil, have induced His Excellency in Council to anticipate the determination of this question, and to announce at once the arrangement which it is his intention to make in India for the service of the Year 1859-60.

Reductions in the present enormous War Charges will be made as early and to as great an extent as may be safe. Measures will be taken for the permanent increase of the Indian Revenues as largely as may be consistent with sound policy. But the full benefit of these operations will not be felt in 1859-60.

The Governor General in Council hereby announces that the amount of money for which he will look to the Indian Market to be raised by Loan in order to provide for the service of 1859-60, is Five Crores of Rupees. When this amount shall have been realized, the Loan of 1859-60 will be closed, and no further Loan will be opened in India during that year.

In pursuance of the principle adopted on the 20th of July 1857, the Loan to be opened on the 1st May next will be a Five-and-a-Half-per-Cent Loan, to which subscriptions will be receivable in Cash or half in Cash and half in Five-per-Cent Paper.

If this Loan should not produce the required amount, the Governor General in Council will recommend to the Right Hon'ble the Secretary of State that the deficiency should be supplied from England. No Loan carrying a higher rate of Interest will be opened in India in the course of the year 1859-60, unless under instructions from the Home Government.

The issue of Treasury Bills, on the terms notified on the 26th of January 1859, will be closed on the 30th of April; a new issue of Treasury Bills will be notified from the 1st of May, bearing Interest at the rate of 2½ Pie per Centum per diem.

The sum which may be received upon these Notes will not be counted as a part of the Five Crores which the Government desire to raise by Loan.

C. HUGH LUSHINGTON,
Secretary to the Government of India.

III. Whenever in either of the Presidencies of Madras or Bombay an Officer shall be invested with Civil jurisdiction as aforesaid, and so long as he shall remain so invested, the Rules for the trial of small suits in Military Bazaars at Cantonments and Stations occupied by the Troops of those Presidencies respectively, shall cease to have effect within the jurisdiction of such Officer.

Whenever the Joint Magistrate of any Military Cantonment Bazar or Station shall be invested with Civil jurisdiction under the provisions of this Act, no person amenable to the Articles of War for the Native Army who may be liable to be sued before such Joint Magistrate for any cause of action cognizable by him, shall be sued elsewhere.

V. Provided that nothing in the preceding Sections shall be held to alter or affect the Rules in force in the Madras Presidency for the trial by Panchayet of suits against Military persons belonging to that Presidency.

VI. VIII. If the claim of the plaintiff be dismissed, and it shall appear to the Joint Magistrate that the suit was groundless, and that there was no probable cause for instituting the same, it shall be competent to such Joint Magistrate to award against the plaintiff in favor of the defendant, such sum as he may consider a reasonable compensation to the defendant for the loss of time and expense to which he may have been subjected by the institution of the suit against him and to proceed to recover the amount so awarded under the rules applicable to execution of decrees passed under this Act.

IX. It shall further be lawful for the Governor General in Council or for the Executive Government of any Presidency or place, to appoint the Joint Magistrate of any Military Cantonment Bazar or Station, subject to their respective Governments, Register of Deeds within the limits of such Cantonment

Bazar or Station; and when such appointment is made, and so long as it shall continue in force, the powers of the Register of Deeds of the Zillah or District in which such Cantonment Bazar or Station is situate, shall be suspended within the limits thereof.

XI. Every Joint Magistrate who shall be invested with Civil jurisdiction or who shall be appointed Register of Deeds under the provisions of this Act, shall, previously to entering upon the performance of his duties, make and subscribe before the Chief Civil Officer, or, where there may be no Civil Officer, before the Chief Military Officer of the District or Zillah in which such Cantonment Bazar or Station is situate, the oaths required by law to be made and subscribed by Civil Judges and Registers of Deeds respectively, or the declarations substituted for such oaths.

13. To suits by the proprietor of any land or by any person claiming under him, for the resumption or assessment of any Lakheraj or rent-free land—the period of twelve years from the time when the title of the person claiming the right to resume and assess such lands, or of some person under whom he claims, first accrued. Provided that in estates permanently settled no such suit, although brought within twelve years from the time when the title of such person first accrued, shall be maintained, if it is shown that the land has been held Lakheraj or rent-free from the period of the permanent settlement.

14. To suit against a depositary, pawnee, or mortgagee of any property moveable or immoveable for the recovery of the same—a period of thirty years if the property be moveable and sixty years if it be immoveable, from the time of the deposit, pawn, or mortgage; or if in the meantime an acknowledgment of the title of the depositor, pawner, or mortgagor, or of his right of redemption shall have been given in writing signed by the depositary, pawnee, or mortgagee or some person claiming under him, from the date of such acknowledgment in writing.

15. To all suits for which no other limitation is hereby expressly provided—the period of six years from the time the cause of action arose.

II. No suit against a trustee in his life time, and no suit against his representatives for the purpose of following in their hands the specific property which is the subject of the trust, shall be barred by any length of time;

Suits against trustees and their representatives for breach of trust, &c. but no suit to make good the loss occasioned by a breach of trust out of the general estate of a deceased trustee shall be maintained in any of the said Courts unless the same is instituted within the proper period of limitation according to the last preceding Section, to be computed from the decease of such trustee; provided that nothing herein contained shall prevent a co-trustee from enforcing, against the estate of a deceased trustee, any claim for contribution, if he shall institute a suit for that purpose within six years after such right of contribution shall have arisen.

III. When, by any law now or hereafter to be in force, a shorter period of limitation than that prescribed by this Act is specially prescribed for the institution of a particular suit, such shorter limitation shall be applied notwithstanding this Act.

IV. If, in respect of any legacy or debt, the person who, but for the law of limitation, would be liable to pay the same, shall have admitted that such debt or legacy or any part thereof is due, by an acknowledgment in writing signed by him, a new period of limitation, according to the nature of the original liability, shall be computed from the date of such admission; provided that, if more than one person be liable, none of them shall become chargeable by reason only of a written acknowledgment signed by another of them.

V. In suits for the recovery from the purchaser or any person claiming under him of any property purchased *bonâ fide* and for valuable consideration from a trustee, depositary, pawnee, or mortgagee, the cause of action shall be deemed to have arisen at the date of the purchase. Provided that in the case of purchase from depositary, pawnee, or mortgagee no such suit shall be maintained unless brought within the time limited by Clause 14 Section I.

VI. In suits in the Courts established by Royal Charter by a mortgagee to recover from the mortgagor the possession of the immoveable property mortgaged, the cause of action shall be deemed to have arisen from the latest date at which any portion of principal money or interest was paid on account of such mortgage debt.

VII. In suits to avoid incumbrances or under-tenures in an estate sold for arrears of Government Revenue due from such estate, or in a Putnee Talook or other saleable tenure sold for arrears of rent which by virtue of such sale becomes freed from incumbrances and under-tenures, the

cause of action shall be deemed to have arisen at the time when the sale of the estate, Talook, or tenure became final and conclusive.

VIII. In suits for balances of accounts current between merchants and traders who have had mutual dealings, the cause of action shall be deemed to have arisen at, and the period of limitation shall be computed from the close of the year in the accounts of which there is the last item admitted or proved indicating the continuance of mutual dealings; such year to be reckoned as the same is reckoned in the accounts.

IX. If any person entitled to a right of action shall by means of fraud have been kept from the knowledge of his having such right or of the title upon which it is founded, or if any document necessary for establishing such right shall have been fraudulently concealed, the time limited for commencing the action against the person guilty of the fraud or accessory thereto, or against any person claiming through him otherwise than in good faith and for a valuable consideration, shall be reckoned from the time when the fraud first became known to the person injuriously affected by it or when he first had the means of producing or compelling the production of the concealed document.

X. In suits in which the cause of action is founded on fraud, the cause of action shall be deemed to have first arisen at the time at which such fraud shall have been first known by the party wronged.

XI. If at the time when the right to bring an action first accrues the person to whom the right accrues is under a legal disability, the action may be brought by such person or his representative within the same time after the disability shall have ceased as would otherwise have been allowed from the time when the cause of action accrued, unless such time shall exceed the period of three years, in which case the suit shall be commenced within three years from the time when the disability ceased; but if, at the time when the cause of action accrues to any person, he is not under a legal disability, no time shall be allowed on account of any subsequent disability of such person or of the legal disability of any person claiming through him.

XII. The following persons shall be deemed to be under legal disability within the meaning of the last preceding Section—married women in cases to be decided by English law, minors, idiots, and lunatics.

XIII. In computing any period of limitation prescribed by this Act, the time during which the defendant shall have been absent out of the British territories in India shall be excluded from such computation unless service of a summons to appear and answer in the suit can during the absence of such defendant be made in any mode prescribed by law.

XIV. No. 363.

The 21st February 1859.

Mr. R. H. W. Dunlop, of the Civil Service, is permitted to proceed to Europe on Furlough, on Medical Certificate, for a period of three years, from the date of embarkation.

No. 373.

The following Resolution of the Right Hon'ble the Governor General of India in Council, under date the 19th February 1859, is published for general information :—

Read again the Resolution dated the 28th February 1856, regarding the allowances to be passed to Roman Catholic Bishops and Chaplains, &c.

Read a Despatch No. 8, dated the 31st December 1858, from the Right Hon'ble the Secretary of State for India, on the above subject.

Read also the 11th paragraph of the Despatch of the Hon'ble the Court of Directors, No. 8, dated the 1st July 1857, on the subject of allotting Roman Catholic Priests to stations where no European Troops are located.

Under the 5th, 6th, and 7th paragraphs of the Resolution of the 28th February 1856, an allowance of Rupees 400 per mensem was authorized to be drawn by each of four Bishops of the Roman Catholic Church in India, viz. by one in each of the Presidencies of Madras and Bombay, and by one in each Division of the Bengal Presidency, in consideration of the labor imposed on them in furnishing the Ecclesiastical Returns for transmission to England.

Under the 9th paragraph of the same Resolution the following principles were laid down for determining the numbers and rates of pay of Roman Catholic Priests at the several stations in India :

1. Wherever two or more European Regiments are quartered together, two Priests shall be allowed on salaries of Rupees 150 and Rupees 100 per mensem respectively.

2. Wherever more than one Regiment of Europeans but less than two shall be located, one Priest shall be allowed on a salary of Rupees 150 per mensem.

3. But the Priests at each seat of Local Government shall be allowed a salary of Rupees 150 per mensem, irrespectively of the number of European Regiments located there.

4. At any other station to which a Priest may be appointed, his salary shall be Rupees 100 per mensem.

In addition to the provision made for the spiritual wants of Troops at Stations, it was determined in the 8th paragraph of the Resolution of the 28th February 1856, "that a Priest shall be allotted to every Station where, though there may be no European Regiment, such a number of British-born Roman Catholics in the service of the Government may reside as may seem to Government to require a separate Pastor."

On this point the Hon'ble the Court of Directors in the 11th paragraph of their Despatch No. 8, dated the 1st July 1857, desired that this Government "should lay down with more precision the circumstances under which the Local Government may grant an allowance to places where no European Regiment may be stationed." The consideration of this suggestion was deferred by the Government of India until the return of tranquillity.

In the Despatch of the Secretary of State of the 31st December 1858, quoted at the head of this Resolution, an augmentation of the allowances heretofore passed to the Roman Catholic Bishops and Priests has been sanctioned. The Bishops are henceforth to draw Company's Rupees 500 per mensem each, while the allowances to Roman Catholic Chaplains are authorized to be raised from Rupees 100 and Rupees 150 to Rupees 150 and Rupees 200 per mensem, respectively.

His Excellency the Governor General in Council is pleased accordingly to give effect to the above orders from this date.

His Excellency in Council is also pleased to determine, with reference to the 8th paragraph of the Resolution of the 28th February 1856, and the suggestion of the Hon'ble the Court of Directors made in their Despatch of the 1st July 1857 above quoted, that a Priest on a salary of Rupees 150 a month shall be allotted to every Station where, though there may be no European Regiment, there shall be at least 100 British-born Roman Catholics, Natives of Great Britain and Ireland, resident and in the service of Government.

ORDERED.—That a copy of this Resolution be communicated to the Military, Foreign, and Financial Department, for information and for the issue of such further orders as may be necessary in those Departments.

That a copy of this Resolution be communicated to the Governments of Fort St. George, Bombay, Bengal, the North-Western Provinces, the Punjab, and the Straits Settlements, for information and guidance.

And that this Resolution be published in the Calcutta Gazette for general information.

No. 14 of 1859.

Financial Department.*Fort William, the 21st February 1859.*

His Excellency the Governor General of India in Council is pleased to notify for general information the Financial measures which have been resolved upon, in order to provide means for carrying on the Public Service in the coming Year 1859-60.

On the 16th of January 1857, a Five-per-Cent Loan was opened, in supersession of the Four-and-a-half-per-Cent Loan opened on the 30th of August 1856, which had been found, in the then state of the Money Market, not to afford sufficient inducement to Capitalists. On the 30th of April 1857, the Financial position of the Government of India was excellent. The Annual deficit which had been experienced for several years, and which in 1853-54 had amounted to Rupees 211 Lacs, chiefly in consequence of the great extension in late years of Public Works, was reduced for the Year 1856-57 to the small sum of Rupees 18 Lacs, and this Financial restoration had been accomplished without the stoppage of those great works of material improvement of which India is so much in need. But as the Government had raised but a small amount in the way of Loan, after the closing of the Five-per-Cent Public Works' Loan in October 1855, the Cash Balances in India had fallen so low that the opening of an effectively drawing Loan had become indispensable.

In May 1857 the Revolt of the Bengal Native Army broke out, and it became necessary by adequate measures both in India and at Home, to provide the means of making those extraordinary exertions by which, under the blessing of Providence, the Indian Empire has been saved, and tranquillity has been restored.

The Government at Home undertook all the charges which had to be met at Home, both the ordinary Home charges of each year, and the extraordinary Home charges which the despatch to India of a large English Force, and the provision of an immense supply of the Munitions of War, (a vast quantity of which had been lost or destroyed,) rendered necessary: and it assisted the Indian Exchequer, at the moment of greatest pressure, by the remittance of a Million Sterling in Bullion. These objects were met by the issue at Home of temporary debentures to the amount of Eight Millions Sterling. The Government of India had the task of providing for the main part of the extraordinary War charges, which of course had to be disbursed in India; and for the Barrack Accommodation of many thousand additional Europeans; as also for the restoration of the Treasure which had been plundered; and this it had to do, when nearly all the Revenues of one of the Local Governments had been swept away.

The Five-per-Cent Loan, which would have been adequate for ordinary wants and in ordinary times, was found to be inadequate at this time of extreme pressure. Accordingly it was necessary to induce Capitalists to come to the assistance of the State, by an enhancement of the terms; and the Governor General in Council resolved to borrow at Six-per-Cent.

He was aware that this could not be done without in some degree affecting injuriously those Holders of the Paper of former Loans, who had not purchased for purposes of permanent investment: but this is the condition of all such Holders of Government Stock in all Countries, whenever a great exigency forces upon the State the necessity of raising a large sum in a limited time. The Governor General in Council, however, was desirous to save such Holders from loss, as far as that could be done consistently with the paramount object in view. Therefore, instead of simply opening a Six-per-Cent Loan, which would have brought down the price of Four and Five per Cent Paper to a low point, he threw open the existing Five-per-Cent Loan to subscriptions half in Cash, and half in Four-per-Cent Paper. This arrangement for many months answered the purpose, the market price of the Paper of former Loans was but little affected by the operation; and the expectations of Government were fully met by large and regular subscriptions through the medium of the then existing Holders of Four-per-Cent Stock, or those who purchased of them for the express purpose of subscribing to the Loan. From the opening of this conversion Loan to the present time upwards of Eight Crores have been paid in in Cash.

Latterly, however, whether from the partial exhaustion of such Holders of Four-per-Cent Paper as are able and willing to convert it, or to sell it at such a price as will induce the Capitalist to buy it for the purpose of conversion, or from some other cause, this conversion process has failed to afford the income which in the present temporary exigency is necessary for the Public Service. For many weeks past the subscriptions to the conversion Loan have fallen to less than half what they were; and they have shewn no prospect of improvement.

In this state of things, the Government of India, having the Public Service to provide for, had no choice but to adopt some change of measure by which it could hope to obtain the requisite funds before the Cash Balances should become exhausted. The Governor General in Council did not doubt that the rate of Six-per-Cent, which Government were paying, was ample Interest to induce the Capitalist to subscribe. But it was apparent that from some cause or other, the requisite funds, even at that rate, could no longer be procured exclusively through the medium of Holders of Four-per-Cent Stock. There was therefore nothing to be done but to look for subscriptions either through the medium of some other class, or from Capitalists generally.

In this state of things the Governor General in Council resolved, on the 26th of January last, to adopt a new arrangement in respect to the open Loan, from the commencement of the approaching Financial year. Accordingly he gave notice of the closing on the 30th of April next of the Four-per-Cent conversion arrangement. By this warning all remaining Holders of that Stock for whose benefit

it may be to take advantage of that arrangement will still have full opportunity of so doing. Up to the end of the Current Commercial Year, Holders of Four-per-Cent Paper will still have it in their power, on subscribing to the open Loan, to obtain Six-per-Cent for the Cash subscribed.

In order to throw open the door, in some manner, to the general Capitalist, Treasury Bills, bearing a somewhat lower rate of Interest, were issued; and the Governor General in Council, looking to the very large extraordinary expenditure which must still remain to be incurred in the coming year, made application to the Right Hon'ble the Secretary of State for India for assistance in the way of Bullion Remittances from Home, to the extent of Three Millions Sterling.

It had been the wish of the Governor General in Council to await the answer of the Secretary of State which may be expected by the 1st of May; as also to allow time to show practically what may be expected as the result of the above-mentioned measures, before determining upon the course to be adopted on the 1st of May for the service of the coming year. But the late fluctuations in the Stock Market, though the manifest result of an unfounded and happily short-lived panic, and the representations of the Mercantile Community, who are of opinion that in the present state of the Market uncertainty as to the future Financial operations of Government would be a great evil, have induced His Excellency in Council to anticipate the determination of this question, and to announce at once the arrangement which it is his intention to make in India for the service of the Year 1859-60.

Reductions in the present enormous War Charges will be made as early and to as great an extent as may be safe. Measures will be taken for the permanent increase of the Indian Revenues as largely as may be consistent with sound policy. But the full benefit of these operations will not be felt in 1859-60.

The Governor General in Council hereby announces that the amount of money for which he will look to the Indian Market to be raised by Loan in order to provide for the service of 1859-60, is Five Crores of Rupees. When this amount shall have been realized, the Loan of 1859-60 will be closed, and no further Loan will be opened in India during that year.

In pursuance of the principle adopted on the 20th of July 1857, the Loan to be opened on the 1st May next will be a Five-and-a-Half-per-Cent Loan, to which subscriptions will be receivable in Cash or half in Cash and half in Five-per-Cent Paper.

If this Loan should not produce the required amount, the Governor General in Council will recommend to the Right Hon'ble the Secretary of State that the deficiency should be supplied from England. No Loan carrying a higher rate of Interest will be opened in India in the course of the year 1859-60, unless under instructions from the Home Government.

The issue of Treasury Bills, on the terms notified on the 26th of January 1859, will be closed on the 30th of April; a new issue of Treasury Bills will be notified from the 1st of May, bearing Interest at the rate of $2\frac{1}{2}$ Pie per Centum per diem.

The sum which may be received upon these Notes will not be counted as a part of the Five Crores which the Government desire to raise by Loan.

Published by Order of His Excellency the Right Hon'ble the Governor General of India in Council,
C. HUGH LUSHINGTON,
Secretary to the Government of India.
